

# Is Your Pet Destined To Be a Star?

**Send in a video of you and your pet, and you could be featured on a new talk show\* on national TV this fall!**

\*We can't reveal the name of the talk show just yet, but we can tell you that the host is a well-known celebrity and animal lover!

**Before you begin, check out our tips for making a great video:**

- **Introduce Yourself.** The video should include a brief introduction of you and your pet.
- **Have Fun.** The producers want you and your pet to reveal your true personalities. Show them the silly things your pet does or the fun ways that you and your pet interact.
- **Format It.** The video must be in one of the following formats: DVD, VHS, Digital Beta, Beta SP, Mini DV or Hi 8mm.
