Type: ROUTINE INSPECTION

Date: Nov-05-2009

SAN DIEGO, CA 92191

2.31 (e) (2)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

(e) A proposal to conduct an activity involving animals, or to make a significant change in an ongoing activity involving animals, must contain the following: (2) A rationale for involving animals, and for the appropriateness of the species and numbers of animals to be used;

-Justification for number of animals in the study is not adequately discussed in the protocol reviewed at time of inspection. Rationale shall be specific to ensure that only the minimum number of animals are used. Facility shall ensure that appropriate number of animals are used in the study. CORRECT BY DECEMBER 5, 2009.

2.33 (a) (1)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE.

(a) Each research facility shall have an attending veterinarian who shall provide adequate veterinary care to its animals in compliance with this section: (1) Each research facility shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a written program of veterinary care.

-An approved Written Program of Veterinary Care was not available at time of inspection. Facility shall have an approved written program, signed by attending veterinarian to ensure that adequate veterinary care is provided to animals in the facility.
CORRECT BY DECEMBER 5, 2009.
