2.38 (b) (1)

MISCELLANEOUS.

(b) Access and inspection of records and property. (1) Each research facility shall, during business hours, allow APHIS officials: (ii) To examine records required to be kept by the Act and the regulations in this part;

-Current written report for the six months program review of activities involving animals and inspection of facilities were not available this inspection. No one in the facility can locate these reports including the current review of the Program of Veterinary Care by the Attending Veterinarian (AV). I was assured by the AV on a phone conversation that these documents were completed and could have been misplaced.

Facility shall ensure that all current reports are available during routine inspections to adequately monitor compliance of the Act.

CORRECT BY NEXT INSPECTION..
