2.31 (e) (1)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

(e) A proposal to conduct an activity involving animals, or to make a significant change in an ongoing activity involving animals, must contain the following:

(1) Identification of the species and the approximate number of animals to be used;

-Protocol reviewed do not adequately justify number of animals to be used. Specific justification shall be presented to ensure that number of animals to be used is no more than what is needed in the study.

CORRECT BY APRIL 13, 2008.

2.33 (a) (1)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE.

(a)(1) Each research facility shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the research facility;

-Written program of veterinary care was not available at time of inspection. This should be presented during inspection to document regularly scheduled visits of attending veterinarian and insure adequate veterinary care.

CORRECT BY APRIL 13, 2008.
