2.31 (b) (3) (ii)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Section 2.31(b) IACUC Membership. (3) Of the members of the Committee: (ii) At least one shall not be affiliated in any way with the facility other than as a member of the Committee, and shall not be a member of the immediate family of a person who is affiliated with the facility. The Secretary intends that such person will provide representation for general community interests in the proper care and treatment of animals.

1. Review of the minutes of the Institutional Animal Care and Use Committee (IACUC) meetings for January 2009-December 2009: The minutes indicated the two nonaffiliated members of the Committee attended a combined 4 of 12 meetings (33%) held by the Committee during this period of time. Absence of the nonaffiliated members and failure to participate in Committee meetings does not serve to represent the general community interests in the proper care and treatment of the animals.

The Institutional Animal Care and Use Committee (IACUC) membership should be properly constituted and at least one nonaffiliated member should be present at Committee meetings to provide representation for general community interests in the proper care and treatment of the animals.

Correct by: Future Institutional Animal Care and Use Committee (IACUC) meetings.
