#### MISCELLANEOUS.

(b) Access and inspection of records and property.

(1) Each research facility shall, during business hours, allow APHIS officials:

(ii) To examine records required to be kept by the Act and the regulations in this part;

(iii) To make copies of the records;

(iv) To inspect the facilities, property, and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations, and the standards in this subchapter;

On August 11, 2009 at 1:00 p.m. the facility was unable to grant access to IACUC records for examination under the Animal Welfare Act. On August 12, 2009 contact was made with the IACUC chair and an appointment was scheduled for an announced inspection to be conducted on August 18, 2009.

No regulated animals were present at this facility. The facility holds an inactive registration.
