INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

(c) IACUC functions. With respect to activities involving animals, the IACUC, as an agent of the research facility, shall:

- (1) Review, at least once every six months, the research facility's program for humane care and use of animals, using title 9, chapter I, subchapter A--Animal Welfare, as a basis for evaluation;
- (2) Inspect, at least once every six months, all of the research facility's animal facilities, including animal study areas, using title 9, chapter I, subchapter A-Animal Welfare, as a basis for evaluation;
- (3) Reports of the IACUC findings shall be submitted to the IO and updated at least once every six months upon completion of the required semiannual evaluations.

The IACUC conducted a facility inspection and review of the facility program for animal care and use on May 9, 2009. The next inspection and program review occurred on January 15, 2010. These inspections and program reviews were conducted 8 months apart and exceeded the mandatory 6 month requirement under the Animal Welfare Act. Subsequently, the required reports to the IO also exceeded the maximum 6 month requirement.

The IACUC must conduct facility inspections and program reviews and submit the results of these findings to the IO at least every 6 months to ensure appropriate facility evaluations are maintained by the IACUC. Timely reports to the IO are essential for adequate communicatio from the IACUC to the IO regarding facility status according to the Animal Welfare Act.

Correct by: All future IACUC inspections, program reviews and reporting requirements must be conducted and fulfilled at least every 6 months.

Type: ATTEMPTED INSPECTION

Date: May-21-2009

2.38 (b)

MISCELLANEOUS.

(b) Access and inspection of records and property.

(1) Each research facility shall, during business hours, allow APHIS officials:

(i) To enter its place of business;

(ii) To examine records required to be kept by the Act and the regulations in this part;

(iii) To make copies of the records;

(iv) To inspect the facilities, property, and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations, and the standards in this subchapter; and

(v) To document, by the taking of photographs and other means, conditions and areas of noncompliance.

On May 21, 2009 at 11:45 p.m. the registrant was unavailable to conduct an animal welfare inspection. The facility manager was involved with a medical emergency. No alternative facility representatives were available for inspection purposes. The facility and animals could not be inspected for compliance with the regulations and standards under the Animal Welfare Act.

MISCELLANEOUS.

(b) Access and inspection of records and property.

(1) Each research facility shall, during business hours, allow APHIS officials:

(i) To enter its place of business;

(ii) To examine records required to be kept by the Act and the regulations in this part;

(iii) To make copies of the records;

(iv) To inspect the facilities, property, and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations, and the standards in this subchapter;

On May 4, 2009 at 1:30 p.m., the registrant was unavailable to conduct an animal welfare inspection. The facility manager was contacted by telephone and stated that she was off-site for a medical appointment and could not easily return to the facility. The animals and facility were unable to be inspected for compliance with the regulations and standards under the Animal Welfare Act.

This is the first attempted inspection.
