Subject: Submission of amended report (APHIS form 7023) due to error in reporting

Dear Dr. Goldentyer:

ICR, Inc. (formerly Insect Control & Research, Inc.) submitted the APHIS form 7023 for the fiscal year 2008 with an inadvertent error. We reported that there were 12 rabbits at our facility, which was the true number of rabbits as of November, 2008. We should have reported that the number of rabbits at our facility at the beginning of the fiscal year 2008 was 14. Please find enclosed our amended report.

Please contact me by phone at 410-747-4500 or email (B)(6) (B)(7)(c) if you have any questions.
