REGISTRATION.

A research facility shall notify the AC Regional Director by certified mail of any change in the name, address, or ownership, or other change in operations affecting its status as a research facility, within 10 days after making such change.

This inspector visited the facility on 9 August 2007. The facility is no longer conducting regulated activity or has any covered animals as Parker Hughes Institute as of 22 January 2007 according to a conversation with the Director via telephone. The facility does not intend to conduct covered activity. The facility failed to notify USDA APHIS Officials that changes occurred in the operation at the facility and that the facility no longer requires a registration.

The facility needs to notify USDA APHIS Officials of any changes in operations to ensure that USDA APHIS Officials have oversight of facilities required to register under the AWA.

Notify the Eastern Regional Office via certified mail that the facility would like to cancel their registration.

Correct immediately.

End of report.
