**2.38** (b)

**MISCELLANEOUS.**

(b) Access and inspection of records and property. (1) Each research facility shall, during business hours, allow APHIS officials: (i) To enter its place of business.

A responsible adult shall be made available to accompany APHIS officials during the inspection process. A responsible adult was not available to allow access and accompany inspection between 0815-0845 on June 12, 2007.

I received a visitor pass to enter the facility at the security center after providing identification. I arrived at the facility at approximately 0815 and waited to be escorted on the unannounced inspection. I returned the visitor badge at approximately 0845 without performing an inspection. The 30 minute wait would not have constituted an unannounced inspection.

Correct by September 1, 2007.
