ANNUAL REPORT.

Each reporting facility shall submit an annual report to the AC Regional Director. The report shall state the common names and the numbers of animals upon which teaching, research, experiments, or tests were conducted.

***The minutes of the IACUC meeting which took place on Oct 29, 2008 note that there was an incident which occurred on Sept 9, 2008 in which a technician was bitten by a gerbil during a procedure. The annual report for 2008 does not show that any gerbils were used. The gerbils should have been reported in the "other" category. An amended report should be submitted by April 30, 2009.
