### 2.36 (b) (6)

#### ANNUAL REPORT.

Section 2.36(b)(6) Annual report: The annual report shall state the common names and the numbers of animals upon which experiments, teaching, research, surgery, or tests were conducted involving accompanying pain or distress to the animals and for which appropriate anesthetic, analgesic, or tranquilizing drugs were used.

The facility's 2007 Annual Report, APHIS Form 7023, has 55 pigs listed in Category D. A review of the records showed that 64 pigs were used and should have been reported in Category D instead of 55. The facility needs to amend its 2007 Annual Report and send it to the Eastern Regional office;

Dr. Elizabeth Goldentyer  
USDA, APHIS, Animal Care  
920 Main Campus Drive, Suite 200  
Raleigh, NC 27606

Annual Reports need to be accurate to ensure the quality of the information compiled from the Annual Reports. Correct by August 1, 2008.
