2.31 (c) (1)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Item IACUC 2.31 c 1,2 ,3

The IACUC shall submit semiannual reports to the Institutional Official at least once every 6 months. The reports shall

consist of a review of the program of humane care and use and inspect the facility at least once every 6 months and the report shall be signed by majority of IACUC members.

For the semiannual report dated June 12, 2008 it was noted the report did not indicate if the program of humane care and use was reviewed and there was no documentation of a majority of IACUC members signing the report.

The IACUC needs to insure that semiannual reports contain a review of the program of humane care and use and have a majority of IACUC signatures.

Correct from this day 2/10/09

3.131 (c)

SANITATION.

Item Housekeeping 3.131 c

Premises shall be kept clean and in good repair to facilitate good husbandry practices

The ceiling in the dirty side of the cage washer has an area that is blistering and peeling.

Facility needs to repair damaged surfaces.

2.33 (a) (1)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE.

Item Veterinary Care 2.33 a 1

Each research facility shall employ an attending veterinarian. In the case of a part time veterinarian or consultant veterinarian the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to research facility

At the time of inspection the program of vet care dated Aug 07 was reviewed and was missing the facility information, facility signature and how often the veterinarian would visit the facility

Facility needs to completely fill out the program of vet care
