Inspection Report

2.36 (a) (3)

ANNUAL REPORT.

Item IACUC 2.36 a 3

The research facility shall submit an annual report to the Animal Care Regional Director. the report shall assure that the facility is adhering to the standards and regulations under the act and it has required exceptions to the standards and regulations be specified by the principal investigator and approved by the IACUC. A summary of all such exceptions must be attached to the annual report . In addition this summary must include a brief explanation of the exception, as well as the species and the number of animals affected.

The IACUC approved a water scheduling protocol that involves a deviation of the watering standard according to 3.83 of the regulations. The facility last semiannual report did not list or describe this exception as required under 2.36 a 3 Facility needs to submit an amended semiannual report to the AC Regional Office listing and describing the exception to the watering.

Correct by 2/1/09

3.84 (c)
