2.31 (c)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Institutional Animal Care and Use Committee (IACUC).

(C) IACUC functions. With respect to activities involving animals, the IACUC, as an agent of the research facility, shall:

(1) Review, at least once every six months, the research facility's program for humane care and use of animals, using title 9, chapter I, subchapter A--Animal Welfare, as a basis for evaluation;

(2) Inspect, at least once every six months, all of the research facility's animal facilities, including animal study areas, using title 9, chapter I, subchapter A--Animal Welfare, as a basis for evaluation;

1) The last review and inspection by the IACUC was on 5/15/08. This is beyond the six month interval required by the regulation.

To safeguard the health and welfare of the animals, the IACUC must meet and prepare reports of its evaluations at no more than six month intervals.

Correct by 3/1/09.

2.31 (c) (1)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

IACUC Functions. With respect to activities involving animals, the IACUC, as an agent of the research facility, shall:
(1) Review, at least once every six months, the research facility's program for humane care and use of animals, using title 9, chapter I, subchapter A--Animal Welfare, as a basis for evaluation.

1) The IACUC last met on 5/17/07.

To safeguard the health and welfare of the animals, the IACUC is required to meet at least once every six months.

Correct by 3/19/08.

2.31 (c) (3)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

IACUC Functions. With respect to activities involving animals, the IACUC, as an agent of the research facility, shall:
Prepare reports of its evaluations conducted as required by paragraphs (c)(1) and (2) of this section, and submit the reports to the Institutional Official of the research facility; Provided, however, That the IACUC may determine the best means of conducting evaluations of the research facility's programs and facilities; and Provided, further, That no Committee member wishing to participate in any evaluation conducted under this subpart may be excluded. The IACUC may use subcommittees composed of at least two Committee members and may invite ad hoc consultants to assist in conducting the evaluations, however, the IACUC remains responsible for the evaluations and reports as required by the Act and regulations. The reports shall be reviewed and signed by a majority of the IACUC members and must include any minority views.

1) The reports to the Institutional Official generated at the IACUC meeting of 5/17/07 have not been signed.

It is important to the health and welfare of the animals that a majority of the IACUC review and sign the reports.

Correct by 3/1/08.

2.33 (a) (1)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE.

Each research facility shall have an attending veterinarian who shall provide adequate veterinary care to its animals

Inspection Report

in compliance with this section:

(1) Each research facility shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the research facility.

1) Section IV, Part A of the Program of Veterinary Care, indicating the species of regulated species under the attending veterinarians care, has not been completed.

It is important that the attending veterinarian acknowledge his familiarity with the particular species at the facility.
Correct by 3/19/08.

2.38 (b)

MISCELLANEOUS.

Access and inspection of records and property.

(Also refer to Policy 9, Barrier Facility SPF Colony Inspection)

(1) Each research facility shall, during business hours, allow APHIS officials:

(i) To enter its place of business;

(ii) To examine records required to be kept by the Act and the regulations in this part;

(iii) To make copies of the records;

(iv) To inspect the facilities, property, and animals, as the APHIS officials consider necessary to enforce the provisions of the Act, the regulations, and the standards in this subchapter; and

(v) To document, by the taking of photographs and other means, conditions and areas of noncompliance.

1) On Thursday, January 31, 2008 at 11:10 am, the college failed to have a responsible person available to conduct an animal welfare inspection.

Inspections are important to the health and well-being of the animals.

If your hours of availability have changed please contact me at (703) 812-6029 and leave a message.

Correct upon receipt of this report.
