3.11 (c)

CLEANING, SANITIZATION, HOUSEKEEPING, AND PEST CONTROL.

Housekeeping for premises. Premises where housing facilities are located, including buildings and surrounding grounds, must be kept clean and in good repair to protect the animals from injury, to facilitate the husbandry practices required in this subpart.

1) The wrapping around the water pipes adjacent to the bathtub in the "conditioning room" is beginning to unravel. This could cause injury to animals if shreds of wrapping are ingested or if an animal were to come in contact with the hot water pipe.

Correct by 8/27/07.
