INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

A proposal to conduct an activity involving animals, or to make a significant change in an ongoing activity involving animals, must contain the following:

(5) A description of any euthanasia method to be used.

The gerbil protocol 06-275 states that certain animals may be euthanized if they are no longer used for breeding and will not be used for another protocol. However, the method of euthanasia is not described. The protocol must be amended to include this information.
