2.31 (a)

INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Section 2.31(c)(d)(e) - Institutional Animal Care and Use Committee (IACUC). The committee shall be responsible for functions described in these sections which include, but are not limited to, review and evaluate activities involving animals.

- A list of approved and recently completed protocols should be available for APHIS inspection. Any protocols selected for review should also be made available. Those items were not available for review on this inspection. Correct by: 8/15/08

3.50 (a)

FACILITIES, GENERAL.

Section 3.50(a) - Facilities, general. Indoor housing facilities shall be maintained to protect the animals.

- The floor in the rabbit room has standing water in the. When people come and go from the room they can track potentially harmful organisms into and out of the room. The water should be removed from the floor to avoid the problem. Correct by: 8/15/08
