3.1 (c) (1) (ii)

HOUSING FACILITIES, GENERAL.

Section 3.1 (c)(1)(ii) - Surfaces that come in contact with dogs and cats must be free of jagged edges or sharp points that might injure the animals.

- Several shades have broken boards that need repair or replacement, so that the dogs won't injure themselves on the sharp edges. (9 dogs) Correct by: 9/24/07

3.6 (a) (2) (ix)

PRIMARY ENCLOSURES.

Section 3.6 (a)(2)(ix) - Primary enclosures for dogs and cats must enable all surfaces in contact with the animals to be readily cleaned and sanitized when worn or soiled or be replaceable.

- Several dog pens in building 1 and 2 have floor paint that is peeling up and prevents proper cleaning and sanitizing. The floor should be repaired so that the floor can be properly cleaned and sanitized. (7 dogs) Correct by: 12/24/07

3.11 (c)

CLEANING, SANITIZATION, HOUSEKEEPING, AND PEST CONTROL.

Section 3.11(c) - Housekeeping of premises for dogs and cats. Premises must be kept clean, in good repair, and weeds/grasses controlled in order to facilitate the cleaning of the premises and to protect the health and well-being of the animals.

- The grass has gotten tall and needs to be cut back so that the tall grass doesn't harbor rodents that could potentially carry harmful organisms, or pests like fleas and ticks. Correct by: 9/24/07
