## Inspection Report

---

conducted and the report should be submitted within the required interval of time and with the required details.

Correct by: Future semiannual reports.

### 2.31 (d) (5)

#### INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Section 2.31(d) IACUC review of activities involving animals. (5) The IACUC shall conduct continuing reviews of activities covered by this subchapter at appropriate intervals as determined by the IACUC, but not less than annually.

1. Review of Protocol 08-18, approved October 29, 2008, that described the use of rabbits for antibody production: Available records failed to document or provide evidence that a continuing review of this activity was conducted within the required period of time.

In accordance with Animal Welfare Regulations, the Institutional Animal Care and Use Committee (IACUC) should conduct a continuing review of an ongoing animal activity at least once annually to ensure the humane care, use, and treatment of the animals.

Correct by: Immediately.

### 2.31 (e) (4)

#### INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Section 2.31(e) A proposal to conduct an activity involving animals, or to make a significant change in an ongoing activity involving animals, must contain the following: (4) A description of procedures designed to assure that discomfort and pain to animals will be limited to that which is unavoidable for the conduct of scientifically valuable research.

1. Review of Protocol 08-18 that described the use of rabbits for antibody production: The proposal failed to describe procedures for monitoring the depth of anesthesia to ensure an adequate plane of anesthesia prior to blood collection procedures.

2. Review of Protocol 09-12 that described the use of rabbits for antibody production: The proposal failed to describe procedures for monitoring the depth of anesthesia to ensure an adequate plane of anesthesia prior to blood collection procedures.

The Institutional Animal Care and Use Committee (IACUC) should ensure that a proposal to conduct an animal activity includes a complete description of procedures intended to avoid or minimize discomfort, pain and/or distress to the animals.

Correct by: December 23, 2009.
