**2.31** (d) (1) (ii)

### **INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).**

(ii) The principal investigator has considered alternatives to procedures that may cause more than momentary or slight pain or distress to the animals, and has provided a written narrative description of the methods and sources, e. g., the Animal Welfare Information Center, used to determine that alternatives were not available;

\*\*\*Protocol # 08-005 did not have an adequate written narrative description of the methods and sources used to determine that alternatives were not available. The statement given was "No alternatives found". This does not meet the requirement for a written narrative description. Additional explanation of the methods and sources used to determine that alternatives were not available needs to be completed for this and any other protocols missing this information.
