### 2.30 (c) (2)

#### REGISTRATION.

A research facility which has not used, handled, or transported animals for a period of at least 2 years may be placed in an inactive status by making a written request to the AC Regional Director. A research facility shall file an annual report of its status (active or inactive). A research facility shall notify the AC Regional Director in writing at least 10 days before using, handling, or transporting animals again after being in an inactive status.

This registrant has not conducted any regulated activity in several years. This registrant may wish to be placed on inactive status as discussed.

If you wish to become inactive please contact the Raleigh Regional Office at 919-855-7100, or this inspector at 703-812-6510.

### 2.38 (a)

#### MISCELLANEOUS.

Each research facility shall furnish to any APHIS official any information concerning the business of the research facility which the APHIS official may request in connection with the enforcement of the provisions of the Act, the regulations, and the standards in this subchapter. The information shall be furnished within a reasonable time and as may be specified in the request for information.

The IACUC office indicated that the IACUC met for the semiannual meeting and site visit in April 2008, but cannot locate the minutes of that meeting or the site visit report.

All records shall be readily available for review by any APHIS official during an inspection.

Correct immediately.
