2.33 (a) (1)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE.

2.33 (a) (1) - "Each research facility shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a written program of veterinary care (PVC)."

1. It was learned that there was a change in the Institutional Official (IO) in the early part of 2007 when the former IO resigned from the institution. The written Program of Veterinary Care that was available for review at the time of the inspection had been signed by the former IO in 2003 but had not been signed by the current IO. The written PVC should be signed by the current IO. Correct by 1/1/08.
