2.31 (c) (1) **REPEAT**
INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).

Section 2.31(1)(c) states "IACUC Functions. With respect to activities involving animals, the IACUC, as an agent of the research facility, shall review, at least once every six months, the research facility's program for humane care and use of animals, using title 9, chapter I, subchapter A--Animal Welfare, as a basis for evaluation."

The last two IACUC program evaluations of the animal use program occurred 8 months apart, on 7-26-06 and 3-26-07. This occurred due to an oversight in scheduling. Program evaluations are to be conducted at least once every six months. The IACUC coordinator is working on having the program evaluations conducted in the same month as the facility inspections.
