### 2.33 (a) (1)

#### ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE.

Each research facility shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the research facility.

\*\*\*The facility currently has a part-time attending veterinarian, but does not have a written program of veterinary care. In order to be in compliance with the regulations, the required information must be documented, reviewed and signed by the attending veterinarian, and maintained on file for review on request by APHIS officials. Complete by 9 May 2008

NOTE: During this inspection no routine administrative reports were reviewed. These were reviewed during the inspection conducted on January 24, 2008.
