Date: Mar-19-2008

2.33 (a) (1)

ATTENDING VETERINARIAN AND ADEQUATE VETERINARY CARE.

(a) Each research facility shall have an attending veterinarian who shall provide adequate veterinary care to its animals in compliance with this section:

(1) Each research facility shall employ an attending veterinarian under formal arrangements. In the case of a part-time attending veterinarian or consultant arrangements, the formal arrangements shall include a written program of veterinary care and regularly scheduled visits to the research facility;.....

**No updated program of veterinary care was available for review at the time of the inspection. The licensee should maintain an updated written program of veterinary care to ensure the health and well-being of the animals housed at the facility.
