**2.31** (d) (1) (ii)

### **INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE (IACUC).**

(ii) The principal investigator has considered alternatives to procedures that may cause more than momentary or slight pain or distress to the animals, and has provided a written narrative description of the methods and sources, e. g., the Animal Welfare Information Center, used to determine that alternatives were not available;.....

\*\*The written description for Protocol 091-180 did not include alternatives for procedures that may cause discomfort to the animals. The IACUC is responsible for ensuring the principal investigator(s) have considered alternatives for procedures that may cause discomfort and/or distress to the animals and include the sources referenced. The principal investigator needs to provide a written description of the sources and methods considered as alternatives.

Number of animals affected: (7)
