

What's WENDY'S Attitude Toward Animal Welfare?

Frosty.

When it comes to animal cruelty, Wendy's seems pretty cold-hearted. Burger King, Carl's Jr., and Hardee's recently took steps to reduce the suffering of egg-laying hens, while Wendy's is lagging far behind. These other restaurant chains are now using some cage-free eggs. But Wendy's still uses eggs only from hens confined in wire "battery cages" so small they can barely move. Wendy's has better options.
