Safe Stalls Application Form Land

The Safe Stalls Program is a nationwide network of horse industry professionals, horse rescue organizations, individual horse owners and enthusiasts, volunteers, and others offering in-kind, financial, and other resources to horses in need.

Safe Stalls partners may be able to assist immediately following a rescue with needs ranging from transporting rescued horses to temporary shelter to providing food or other interim services needed during the horses' transition from the temporary shelter to a foster or adoptive home.

The goal is to be able to call on caring and capable people in the area of the rescue, and to be able to move horses quickly from danger to safety, then provide necessary care until they can be rehomed.

To be considered for the Safe Stalls Program, please fill out the following information. The information will remain confidential and used only as part of The HSUS Safe Stalls Program.
