

What's Wendy's Attitude Toward Animal Welfare?

Frosty.

When it comes to animal cruelty, Wendy's seems pretty cold-hearted. Burger King recently took steps to reduce the suffering of the laying hens whose eggs it uses, while Wendy's is lagging behind. For example, while Burger King is now using some cage-free eggs, Wendy's still only uses eggs from hens confined in "battery cages" so small they can barely move. Wendy's has better options. Tell the company to warm up to them: 1-800-443-7266 x 2032.
