

Downed Animals Need Your Help!

Our recent undercover investigation of the unthinkable cruel treatment of cows at a California slaughterhouse gained nationwide attention.

We need to keep Congress focused on this issue and ensure they take action. Urge your U.S. representative and U.S. senators to cosponsor The Downed Animal and Food Safety Protection Act (H.R. 661/S. 394) to protect downed animals from abuse.

NATIONAL CALL-IN DAY!

Thursday, May 1st, 2008

Call the Capitol switchboard at 202-224-3121 and ask for your U.S. representative's and two U.S. senators' offices.

Your 30-second phone calls urging your legislators to *“please cosponsor H.R. 661/S. 394 ensuring that downed animals are not abused and do not enter the food supply”* are critical.

Please help spread the word—ask every friend and family member to call.
