## Alternatives Loan Programs

The following organizations loan alternatives to animal dissection and live animal experimentation

Animalearn's Science Bank: <http://www.animalearn.org/sciencebank.php>

National Anti-Vivisection Society's BioLEAP Lending Program:  
<http://www.navs.org/education/bioleap-lending-program>

Ethical Science Education Coalition's Alternatives Loan Library:  
<http://www.neavs.org/resources/secs-inventory-of-alternatives-to-dissection>

The International Network for Humane Education (InterNICHE):  
Alternatives Database: <http://interniche.org/en/alternatives>  
Alternatives Loan Systems: <http://interniche.org/en/loansystem>

## Alternatives Databases:

NORINA (Norwegian Inventory of Audiovisuals): <http://oslovet.veths.no/NORINA>

The NORINA database has information on over 3,000 computer programs, laser discs, films, slide series, 3-D models and classroom charts that can be used as alternatives or supplements to the use of animals in all levels of education.
