INTERMEDIATE ATTITUDE SCALE (IAS)(Grades 3, 4, 5, 6)

This group administered test is designed to assess children's attitudes toward the humane treatment of animals. The test contains 36 items which relate to the care and treatment of pets, farm animals, and wild animals. The items consist of declarative statements with which children can strongly agree, agree, disagree, or strongly disagree on a Likert-type scale. Construction of choices is balanced to avoid "response set" (a consistent tendency to follow a pattern in responding to test questions).

INTERMEDIATE ATTITUDE SCALE INSTRUCTIONS
(Grades 3, 4, 5, & 6)

Introduce yourself. Hand out tests and pencils to pupils for whom parental permission has been obtained.

I AM WORKING WITH SOME PEOPLE WHO ARE TRYING TO FIND OUT HOW CHILDREN YOUR AGE THINK AND FEEL ABOUT ANIMALS. BUT BEFORE I TELL YOU MORE, I WOULD LIKE YOU TO PUT SOME INFORMATION ON THE FIRST PAGE OF THE SHEETS WE'VE HANDED OUT TO YOU.

ON THE TOP SHEET, THERE ARE SPACES FOR YOU TO WRITE YOUR NAME, YOUR TEACHER'S NAME, AND YOUR GRADE. I'LL GIVE YOU A FEW MINUTES NOW TO FILL IN THAT INFORMATION.

(Time to complete)

ON THE SHEETS THAT YOU HAVE, THERE ARE A NUMBER OF SENTENCES. THERE IS A PRACTICE SENTENCE ON THE FIRST SHEET THAT SAYS: "I THINK THAT SUMMER VACATION IS TOO LONG." FOR THIS SENTENCE AND ALL THE OTHER SENTENCES, I WOULD LIKE YOU TO DECIDE IF YOU STRONGLY AGREE, AGREE, DISAGREE, OR STRONGLY DISAGREE WITH WHAT THE SENTENCE SAYS AND THEN CIRCLE YOUR ANSWER.

SO FOR THE PRACTICE SENTENCE, IF YOU DO THINK THAT SUMMER VACATION IS TOO LONG, YOU WOULD CIRCLE "AGREE" OR "STRONGLY AGREE." IF YOU DON'T THINK SUMMER VACATION IS TOO LONG, YOU WOULD CIRCLE "DISAGREE" OR "STRONGLY DISAGREE. "

ARE THERE ANY QUESTIONS SO FAR?

REMEMBER TO CIRCLE ONLY ONE ANSWER FOR EACH QUESTION AND BE CERTAIN TO PUT AN ANSWER FOR EVERY ITEM EVEN IF YOU'RE NOT SURE EXACTLY HOW YOU THINK OR FEEL ABOUT THE SENTENCE.

IF THERE IS A WORD IN A SENTENCE THAT YOU'RE NOT SURE OF, RAISE YOUR HAND AND WE'LL HELP YOU.

AS YOU DECIDE ON YOUR ANSWER, REMEMBER THAT I WANT YOU TO ANSWER THE WAY YOU REALLY THINK. BE HONEST AND ANSWER THE WAY YOU FEEL. YOUR TEACHER AND YOUR PARENTS WILL NOT SEE THE ANSWERS YOU PUT DOWN.

OKAY, LET'S BEGIN. NUMBER ONE...

(Read each sentence and allow 10 seconds for answer. Also indicate when you start a new page. Circulate while reading questions to be sure everyone is in the correct place and is following directions. At end of the test, collect sheets and pencils and thank pupils for responding.)

INSTRUCTIONS FOR SCORING THE INTERMEDIATE ATTITUDE SCALE (IAS)

For each item on this scale, pupils will have marked "Strongly Agree," "Agree," "Disagree," or "Strongly Disagree" in response to the item. Four, three, two or one points are given for each item depending upon the response as shown in the answer key (e.g., for Item 1, Strongly Agree = 1 pt; Agree = 2 pts; Disagree = 3 pts; Strongly Disagree = 4 pts). The most humane response is given a value of 4 points and the least humane a value of 1 point. (See scoring key.)

The steps for computing a total score are as follows:

1. For each item, record a "4," "3," "2," or "1" for each response as indicated in the scoring key (below).
2. If an item has been left blank, or more than one answer has been checked, record a "1".
3. Add up all the points.
4. Report this sum (from Step 3) as the Total Score (this can range from 39 to 156).
5. Also note the number of items scored as "1" because of no response or multiple responses (from Step 2). Report this number as the "Missing Item" score.
