Dear Friend,

Thank you so much for being a host of the first-ever Party Animals event!

With your help, we hope to reach thousands of people with information on how we can all work together to protect farm animals and to raise funds to support our direct lobbying and work to pass animal protection laws at the state and federal level for the Humane Society Legislative Fund.

# **Fundraising Tips- Party Animals!**

## **On your personal Party Animals! web page – log in and manage your profile:**

Keep an eye on your fundraising goal:

-if you're a very close to reaching it, please considering raising it.

Folks become more willing to contribute the closer you are to your goal the day of the party.

-if you're very far away from your goal only a few days out, and do not plan to make up the difference yourself or have an invitee who can, please lower your goal to something attainable.

Make sure you review your rsvp and invitee guest list a day or two before the party and send an email reminder out to folks on your list. ***If they made a pledge, ask them to fulfill it online through your web page if they cannot attend the party or to mail you their check.***

If anyone needs to mail you their donation ask them to do so to your house and **have checks made out to HSLF with Party Animals marked in the memo section.**

## **At the start of your party:**

**If possible, have your Party Animals! web page up on a computer at your party.**

Assign someone to be your official “greeter” and ask that they get everyone to sign in on the “sign-in” sheet and collect their donation (cash or check) and put it in the return collection envelope.

The greeter should know what your party's fundraising goal is.

**If someone wants to make their donation with a credit card at the party please log in on *your* Party Animals! web page and have them donate online at the party.**

Give receipts to folks who request one, have greeter or host fill them out.

## **Just after the Conference Call or at the mid-point of your party:**

**Ask everyone to make sure they fulfill their pledged donation by giving your greeter their check or cash, or giving online at the party.**

Give your guests an update on your goal and current total.

**At the closing of your party:**

Make an announcement thanking everyone for supporting your party and the Humane Society Legislative Fund's important lobbying efforts on behalf of horses.

Give a fundraising goal update; if you're close but not quite there ask that everyone pitch in to help you reach it.

If you have made your goal CONGRATULATIONS!!!!!!!!!!

**Mail all paper checks or cash donations in the secure contribution envelope provided with your recap sheet.**

**THANK you all for being the first Party Animals! Hosts and being such wonderful activists!**
