## **Petland in Kentucky: Where Do They Get Their Puppies?**

Petland claims that they only buy from breeders with “the highest standards,” but the Humane Society of the United States (HSUS) has found that they continue to buy from **known puppy mills** and **out-of-state brokers** that deal with puppy mills. The Ashland, KY, Petland bought puppies from at least one major broker which the United States Department of Agriculture (USDA) has cited for **multiple violations**.

A **broker** is a “middleman” animal dealer that buys puppies from many different kennels and puppy mills for resale to pet stores.

#### **Hunte: Cited for Small Cages and Underage Puppies**

This store received shipments from a massive Missouri puppy broker, **The Hunte Corporation**, in 2009. Hunte is a middleman animal dealer which the USDA has cited for keeping dozens of animals in too-small cages, repeatedly transporting underage puppies, and other violations. The Hunte Corporation sells about 80,000 puppies a year from hundreds of different kennels and puppy mills.

**This store may also buy from other dealers.**
