Petland in Minnesota: Where Do They Get Their Puppies?

Petland claims that they only buy from breeders with “the highest standards,” but the Humane Society of the United States (HSUS) has found that they continue to buy from **known puppy mills** and **out-of-state brokers** that deal with puppy mills. The Minnesota Petlands bought puppies from at least two major brokers which the United States Department of Agriculture (USDA) has cited for **multiple violations**.

A **broker** is a “middleman” animal dealer that buys puppies from many different kennels and puppy mills for resale to pet stores.
