

THANK PETSMART FOR SUPPORTING RAVS!

Because of The HSUS' opposition to hunting for sport, trophy, or recreation, hunters and supporters of the U.S. Sportsmen's Alliance are bombarding PETSMART with threats of a boycott and loss of customer support if PETSMART Charities continues to support The HSUS' Remote Area Veterinary Services (RAVS) program. RAVS brings spay/neuter and pet health services to poor rural communities and Native American reservations who have no or very limited access to veterinary care for their pets.

Please show PETSMART Charities that you support their continued funding of RAVS. Take this "Thank You" card to your local PETSMART store and give it to a store manager. If there isn't a PETSMART store in your area, you can write a letter of support to the address below. (We're asking you not to send an e-mail or call because we don't want to further burden PETSMART's systems.)

And please share this urgent call to action with everyone you know. E-mail the website link to everyone in your address book. Make extra copies of the card to give to friends, family, and co-workers who can also visit their local PETSMART store.

Don't let a small, misguided hunter support group succeed with its anti-animal protection message.

Thank You,
PETSMART CHARITIES!

For supporting the Remote Area Veterinary Medical Services (RAVS) program, which provides essential pet health care services to poor communities.

Please continue to support this valuable program.
