

BE PREPARED!

Emergencies may happen when you are away from home. Let firefighters or other emergency workers know that your pets are inside.

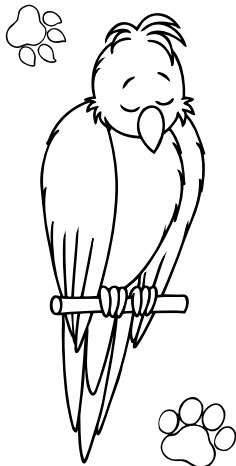

Cut out the sign below. Color it using bright colors. Glue the sign to a piece of cardboard the same size. Cover the sign with clear contact paper to protect it.

Place the sign in a window or on an outside door.

If you don't have a pet, color and give this sign to a neighbor with pets.
