

## Teach Kids to Care

Helping stray, abused, and abandoned animals in our community is our number-one goal. But rescuing, sheltering, and adopting animals isn't enough. We also need to teach our youngest citizens the basics of responsible pet care and the value of treating people and animals with kindness and respect. That's why your support for our Adopt-a-Classroom program is so vital.

For each \$30 tax-deductible contribution you make to our Adopt-a-Classroom program, you'll provide an entire elementary-school class with ***Kind News***, an award winning classroom magazine that teaches children kindness and respect for animals.

A subscription to ***Kind News*** includes five issues, throughout the school year. Each issue comes with 28 copies of the magazine and a teacher's guide. Teachers also have online access to reproducible worksheets that reinforce lessons in kindness and responsibility. Please help us teach our children to care by adopting classrooms today!
