# SARAH'S PETS

The story below sounds a little silly. Change one letter in each of the underlined words so that the story makes sense.

Sarah loves her pats. Her log's name is Lucy. Sarah throws a bill for Lucy to chase. Lucy runs after the ball and brings it bark to Sarah. Then she backs really loudly so Sarah will throw it again.

Sarah also has a mat named Mac. Mac is a happy sat. He purrs when Sarah brushes his far. Sarah wants Mic to stay safe so she keeps hem indoors. Sarah spends tame every bay playing with Mac.

She hangs a boy mouse on a string. Mac tries to catch the house with his paws. When playtime is over, Sarah puts the toy away so Mac can't get tangled in the strong.
