

Help Save Our Horses from the Slaughterhouse!

Ask Congress to stop the grisly practice of horse slaughter in the United States and the transport of America's horses for slaughter in other countries—and save nearly 140,000 American horses each year. Urge your U.S. representative to support H.R. 249 and H.R. 503 and your U.S. senators to support S. 311 to protect horses.

NATIONAL CALL-IN DAY!

Tuesday, April 24, 2007

Call the Capitol switchboard at 202-224-3121 and ask for your U.S. representative's and two U.S. senators' offices.

Your 30-second phone calls urging your legislators to "please support H.R. 249 and H.R. 503/S. 311 to protect horses from slaughter" are critical.

***Please help spread the word—
ask every friend and family member to call.***
