

PROTECT SEALS

ProtectSeals Campaign Pledge

We are pleased to join The Humane Society of the United States (The HSUS) in its campaign to end Canada's commercial seal hunt — the largest and most brutal slaughter of marine mammals on Earth. This year, like last year and the year before it, hundreds of thousands of seal pups will be clubbed and/or shot to death off Canada's East Coast. After all other approaches had been tried and failed, The HSUS launched the ProtectSeals campaign. Through it, we seek to convince the fishing communities of Canada to end their support for and participation in the seal hunt. In support of the ProtectSeals campaign, we pledge to reduce or end our sale of Canadian seafood until Canada ends its commercial seal hunt. We're proud to have The HSUS promote our company as a compassionate supporter of the ProtectSeals campaign. I represent to The HSUS that I have full authority to give permission for the name of this company (or other business entity) to appear in this HSUS advertising campaign.
