- Assisted the Blackfeet tribe with \$2,500 in funds to purchase hay for livestock and horses due to the loss of pastures and hay stacks in a fire on the reservation
- Paid for veterinarian to evaluate four horses in possible neglect case in Yellowstone County 2012 (by Pompey's Pillar)
- Paid for a veterinarian to evaluate the llamas from the Sanders County sanctuary neglect case, paid for veterinarian who specializes in camels to evaluate and treat two camels, and contributed \$5,000 towards veterinary care for donkeys

Training, Shelter, and Advocate Outreach and Events

- National Disaster Animal Response Team training in 2011

Partnerships

- Helped organize Montana Horse Welfare Council and served as Chair of the Law Enforcement/Disaster Response Committee
- On board of Montana Voluntary Organizations Active in Disaster 2011

Direct Assistance, Hands-On Care, Transport, or Placement

- Assisted law enforcement by acting as the lead animal agency in the seizure, care and subsequent placement of 430 animals from three counties throughout Montana:
 - 62 dogs and 33 cats from a hoarding case involving Eastern Montana Humane Society in Fallon County
 - 95 dogs from hoarding case in Wibaux County
 - 240 dogs from a puppy mill in Jefferson County
- Nine horses from hoarding case in Yellowstone County (Turley case)
- Participated in rescue of animals including livestock, geese, two bison, two camels, 16 Pantagonian Cavies, and 13 emus from neglect case at sanctuary in Sanders County
- Assisted in placement, transport and veterinary care for seven pit bulls from the Fort Peck Indian Reservation
- Assisted the National Park Service in trapping four feral dogs on the Little Bighorn Battlefield on the Crow Reservation
- Organized mobile spay/neuter clinic for 40 cats on private ranch in eastern Montana
