

North Carolina Accomplishments (2011 through 2012)

Grants, Aid, and Project Contributions

- Shelter repairs – Caswell County APS
- Shelter equipment – Lincoln County Animal Shelter
- Shelter equipment and repairs – Johnston County Animal Shelter
- Shelter equipment and repairs – Randolph County Animal Shelter
- Shelter equipment and repairs – PAWS of Bryson City
- Shelter equipment and repairs – Yadkin County Animal Shelter
- Shelter equipment – Cameras for Caldwell
- NC Rabies Care and Control Conference sponsorship
- North Carolina Animal Federation and South Carolina Animal Control Association Conference sponsorship
- Provided grain for farmers – Sent 11 tons of grain to six farmers with farms with tornado damage
- Shelter repairs – Yadkin County Animal Shelter

Training, Shelter, and Advocate Outreach and Events

- Animal control and law enforcement training
- Provided free Animal Cruelty 101 training
- Sent five animal control officers and individuals from NC Rabies Care and Control Board to The HSUS's Animal Expo in Florida on scholarship
- Provided free media training for animal control officers at 2011 NC Rabies Care and Control Association Conference and North Carolina Animal Federation and South Carolina Animal Control Association joint conference.
- Provided free training on Animal Handling for Durham SWAT team
- Provided a two-day workshop for National Disaster Animal Response Team and Animal Control on emergency sheltering
- Facilitated relationships between rural and high-profile shelters to help increase adoption numbers
- Facilitated relationships with local pastors, NC State University Veterinary School, and local volunteers to provide vaccines and spay/neuter to underserved communities in Robeson and Caldwell Counties
- Sheltering/community meetings – Held meetings across N.C. to garner community support for local animal shelters and create plan for local assistance, worked to repair animal advocate relationships with shelter staff and provided opportunity to move forward and address pet overpopulation and increase adoptions
- Offered financial rewards to assist law enforcement to obtain information on animal cruelty cases.
- Cruelty cases – Provided advice on case-building and helped to coordinate local resources for placement; also provided occasional financial assistance for necropsies, feed, and boarding.
- NC shelter project – Created a coalition of groups to focus on shelter repair; the groups fundraise to provide shelter makeovers and assist shelter staff with community outreach events.
- Traveled throughout state to visit with shelter staff and provide community outreach materials and information on resources available to sheltering community

- Community outreach and vaccine clinic for an underserved community in Randolph County

Direct Assistance, Hands-On Care, Transport, or Placement

- Puppy/bird mill, Franklin County – dogs, chickens, geese, ducks, and rabbits. Provided case-building, The HSUS's Animal Rescue Team, local/national resource coordination, temporary sheltering, financial and placement assistance, and medical care
