Prairie Dog Day

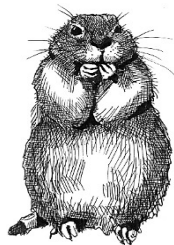

Groundhog Day for the West

Celebrating a keystone species of the western grasslands.

Saturday, February 2

9am - 2pm

Join us for prairie dog
scavenger hunts, crafts,
puppet shows, games,
and more.

Visit with other organizations that are working to protect this keystone species and other wildlife that depend on prairie dogs like golden eagles, swift foxes, burrowing owls, ferruginous hawks, and black-footed ferrets. Explore the controversy, history and myths that surround prairie dogs.
