

# You suffer through tests. They shouldn't have to.

Many colleges and universities have adopted policies preventing animals in their laboratories from being subjected to the worst levels of pain and distress. But in spite of repeated urging, University of Minnesota has yet to make this modest commitment to animal welfare. Please urge University of Minnesota to adopt a policy ensuring that animals in campus research laboratories will not be forced to endure severe suffering.

Write to President Robert H. Bruininks,  
Office of the President, University of  
Minnesota, 202 Morrill Hall, 100 Church  
Street S.E., Minneapolis, MN 55455; call  
612-626-1616; or e-mail [upres@umn.edu](mailto:upres@umn.edu).
