

Research Institution	# of dogs in 2023	State in which USDA annual report is filed*
Charles River Laboratories Inc	~9,000	Massachusetts
Labcorp Early Development Laboratories Inc	~2,800	Wisconsin
Altasciences Preclinical Columbia LLC	~1,500	Missouri
Zoetis LLC	~1,200	New Jersey
Summit Ridge Biosystems Inc (SUMMIT RIDGE FARMS)	~1,000	Pennsylvania

*Some research institutions compile annual animal use data from all their facilities across the U.S. and report it in only one USDA annual report. This makes it impossible to know exactly how many animals are being used in each state.
