**Level of Difficulty**

1=easy/5=demanding

(physical, mental, emotional)

- Physical difficulty is level 4; volunteers must be able to bend, lift, and stand; involves cleaning and maintaining enclosures, which can be physically strenuous
- Mental difficulty is level 2; requires learning and following procedures and protocols
- Emotional difficulty is level 3; volunteers may be exposed to emotionally distressing issues, perhaps through learning of a past abusive situation experienced by an equine in our care

**Expected Environmental Conditions**

All of the work is performed outdoors in all weather conditions which can include extreme heat.

**How Often Volunteers Work On-site**

All work is performed on site.

**Orientation/Training**

Orientation includes the following: overview and brief walking tour of the ranch, description of rules, and overview of volunteer opportunities. Volunteers will be trained on the particular aspects and tasks required for their role. Additional training will be provided as needed.

**Learning Opportunities**

- Knowledge of CABBFR and how the program area fits into the larger picture of animal protection
- Exposure to the operations and management of an animal care center
- Knowledge of equine body language and how to properly care for a variety of equines

**Position Start Date**
