

## **Volunteer Position Description**

## **Pets for Life: Transport Volunteer**

| Nothing in this position description rest | ricts management's right to assign or reassign duties and responsibilities to this position at any time. |
|-------------------------------------------|----------------------------------------------------------------------------------------------------------|
| Work Location                             | Atlanta, Chicago, Los Angeles and Philadelphia                                                           |
| Position Grade                            | 3; background check includes Criminal Background, Social Security Number                                 |
|                                           | Verification, Motor Vehicle Check and Sex Offender Registry                                              |
| Purpose of the Position                   | Volunteers provide support to clients and their pets to ensure they are able to                          |
|                                           | take advantage of the services offered by the program.                                                   |
| Volunteer Responsibilities                | Use own method of transportation to deliver supplies to clients who do                                   |
|                                           | not have easy access to transportation; load and unload supplies                                         |
|                                           | Transport animals confined in crates to and from veterinary appointments                                 |
|                                           | via clients' homes                                                                                       |
|                                           | Ensure completion of all required paperwork by pet owner and submit                                      |
|                                           | completed forms to the Pets for Life coordinator or manager, as assigned                                 |
|                                           | Communicate with clients about their needs                                                               |
|                                           | Requires hands-on interaction with companion animals                                                     |
| Level of Difficulty                       | Physical difficulty is level 3; requires walking, standing, lifting, bending,                            |
| 1=easy/5=demanding                        | and handling companion animals                                                                           |
| (physical, mental, emotional)             | Mental difficulty is level 3; requires training in protocols and procedures                              |
|                                           | with the expectation that they'll be followed; involves working with little                              |
|                                           | supervision, requires strong driving skills, and ability to use good                                     |
|                                           | judgment                                                                                                 |
|                                           | Emotional difficulty is level 3; the nature of the issues dealt with can be                              |
|                                           | emotionally distressing as volunteers will see less than ideal situations for                            |
|                                           | people and animals; any contact with the public can result in interactions                               |
|                                           | with people in a heightened emotional state because of their connection                                  |
|                                           | with and commitment to animals                                                                           |
| Expected Environmental                    | Busy roads due to heavy traffic and pedestrians; could be driving in hazardous                           |
| Conditions                                | road conditions depending upon weather.                                                                  |
| How Often Volunteers Work                 | All work is performed in the community.                                                                  |
| On-site                                   |                                                                                                          |
| Orientation/Training                      | Volunteers must attend a general orientation and will receive training specific                          |
|                                           | to the role. Information and materials about The HSUS and Pets for Life,                                 |
|                                           | including the Pets for Life Community Outreach Toolkit, will be provided.                                |
| Learning Opportunities                    | Better understand the challenges faced by animal owners in underserved                                   |
|                                           | communities and the challenges to access spay/neuter services                                            |
|                                           | Develop or strengthen safe animal handling skills                                                        |
|                                           | Strengthen communication and customer service skills                                                     |
|                                           | Learn the geography of your city                                                                         |
| Position Start Date                       | Ongoing                                                                                                  |
| Initial Minimum Commitment                | Three month commitment                                                                                   |
| Scheduling Guidelines                     | Standing appointment times vary by city, but generally work will be requested                            |
|                                           | between 7:00 a.m9:00 a.m. and 4:00 p.m6:00 p.m. Volunteers indicate                                      |
|                                           | which days and times they are available to work, and will be contacted should                            |

|                                                      | there be a need for transport during that time period.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
