

THE HUMANE SOCIETY
OF THE UNITED STATES

Protect Seals Campaign Pledge

We are pleased to join The Humane Society of the United States (The HSUS) in its campaign to end Canada's commercial seal hunt — the largest and most brutal slaughter of marine mammals on Earth. Each year, the Canadian government authorizes commercial fishermen to club and shoot to death hundreds of thousands of defenseless baby seals off Canada's East Coast. In 2005, after years of diplomacy failed, The HSUS reluctantly launched a boycott of Canadian seafood products with the aim of motivating Canada's fishing industry to end its engagement in and support of the commercial seal hunt. In support of the Protect Seals campaign, we pledge to reduce or end our sale of Canadian seafood until Canada ends its commercial seal hunt. We're proud to have The HSUS promote our company as a passionate supporter of the Protect Seals campaign. I represent to The HSUS that I have full authority to give permission for the name of this company to appear in this HSUS advertising campaign.
